

## Letter to Sensei

I would like to invite everyone to please send a note to President Ikeda.

It is a wonderful 'heart to paper' opportunity to connect with President Ikeda while he is still alive.

He has been putting his heart to paper and encouraging us for decades so this is a wonderful chance to reciprocate.

I have attached the memo paper ( pages 1 and 2) below to be used. The email address is:

[sgi-nao@sgi.gr.jp](mailto:sgi-nao@sgi.gr.jp)

We are asked to keep our letter to no longer than 2 pages for the sake of the translators. If you are not sure what to right, my general framework is:

- Introduce myself - name, how long I've been practicing, any leadership positions
- Share a report of a recent victory
- Share a determination
- Express gratitude

In your signature/sign

Please put your name, district, chapter, region and country.

As an example:

Joanna Jordan  
Rising Sun District, Starlight Chapter  
Toronto West Area, Central Region  
SGI Canada

If you have a leadership position then list that first.
